### About Me

I am a 28-year-old Front End Developer with a great passion for technology and continuous learning. Throughout my journey, I have cultivated skills in web development and interface design, always looking for ways to improve my projects and provide creative solutions. I enjoy spending time in nature as it brings me peace and clarity of mind. I am excited about the future and aim to learn about cybersecurity, thus expanding my horizons in the tech field.

### Skills

- **Lenguajes y Marcado** : HTML, CSS, JavaScript.
- **Frameworks/Librerías** : React, Bootstrap.
- **Preprocesadores** : Sass.
- **Herramientas** : Git, GitHub , Vite.
- **Backend** : Node.js, MongoDB.

### Professional Profile

I am a Front End Developer with a strong passion for entrepreneurship and innovation. I stand out for my adaptability and my ability to manage teams, always seeking ways to improve and learn. Currently, I am developing an innovative application for expense management and personal development. I collaborate with designers to ensure my projects are neat and professional, achieving exceptional user experiences.
